

Automated Tender & Opportunities Management System

ATOMSAI

- **Tender Tiger Pvt. Ltd** is a subsidiary of ETL
- **Procure-to-Pay (P2P) Leader** with 25+ years of experience
- Tracks **1M Tenders** yearly & facilitates procurement worth **\$100 billion**
- Powered by a dedicated team of **500+ professionals**
- Serving Fortune **500 companies and government clients**
- **ISO 9001, ISO 27001, and SEI CMM Level 3** Certified company
- Headquartered in Ahmedabad, Gujarat, **India**

- **Finding relevant opportunities** is time consuming process & depends on luck
- Reading Documents & **preparing Tender Summary** is tedious consuming
- Email based **team collaboration** is not secure & repetitive
- **Sourcing quotes** for third-party materials and services is laborious
- Identifying **potential bidders** and getting quotes never gets done on time
- **Online bid submission** on different platforms requires patience & skills
- After winning, **managing contracts & compliance** is cumbersome process

- **With ATOMS, automate your Tendering Process**
 - **Sourcing Tenders** from **TenderTiger**, OneTender, GEM, NIC, etc.
 - **Extract PQ & check PQ compliance** with our AI on a click
 - **Auto-generates response** for Pre-Bid Meetings, date extensions, etc.
 - **Generates tender summary** for internal approvals and task delegation
 - **Extract Annexure & autofill it** reducing manual efforts & errors
 - Effortlessly **source quotes** with integrated **ProcureTiger**
 - **Identify probable bidders** and get winning bid on the fly

- Post winning Tender, you can manage contracts in Atoms
 - Manage **Advance Purchase Orders (APO) & Purchase Orders (PO)**
 - Track and manage the **Security Deposit (SD) & retention money**
 - Create **project plans** covering delivery and payment milestones
 - Raise **Pro Forma invoices and final invoices & on time**
 - Facilitate **payment receipts** and **SD/retention** money recovery
 - Get **Work Completion Certificates**
